Carefully Sealed Sandwiches

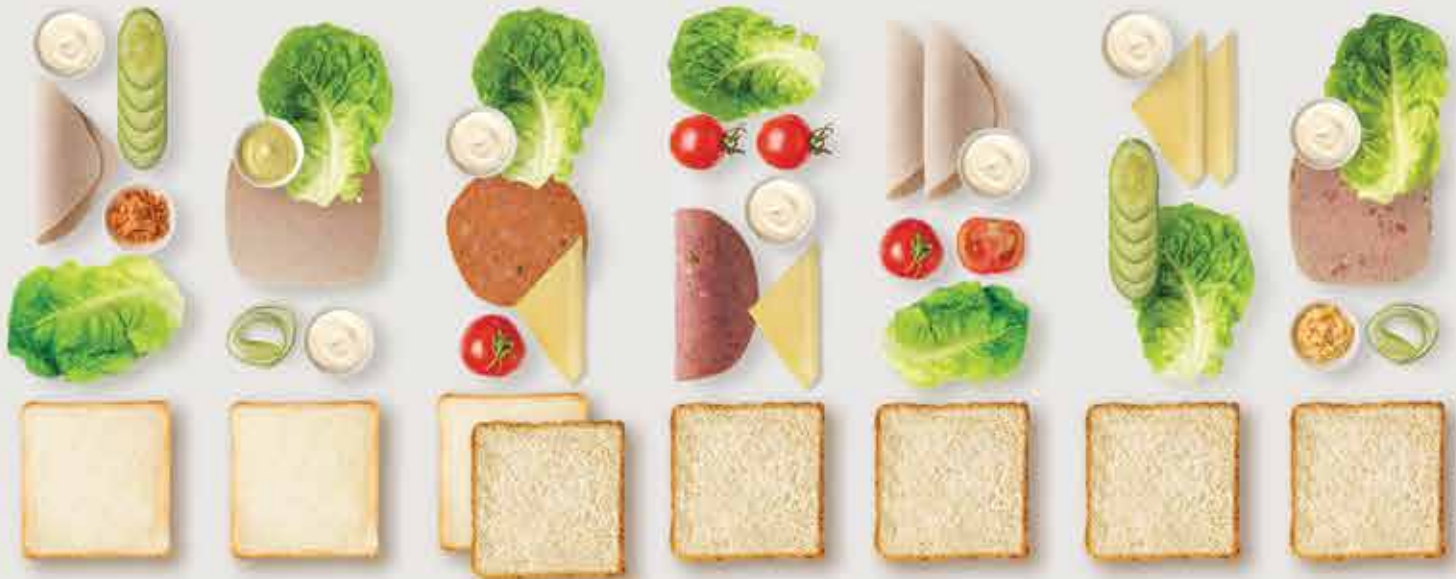

In each pack of goodness, the freshness and nutrients of our sandwiches are sealed-in with the Modified Atmosphere Packaging technique for quality assurance.

Hygienic

Hygienic and cleanliness are the utmost important elements in our food preparation. Due to our specialised sealing technique, the product quality is maintained thus hindering them to deteriorate or spoil.

Freshness

The sealing technique slows down the ongoing biological processes, thus providing preservation without requiring the additional of harmful chemical and preservatives. Sealed in freshness to maintain crispness!

SCRUMPTIOUS SNACK ON THE GO

Let's Sandwich & Co™

WHOLEMEAL

Beef Salami

Delightfully juicy beef salamis perfectly sandwiched between cheese and mayonnaise in a loafy wholemeal bread. Just our way of beefing up a sandwich.

SERVING SIZE	ENERGY	CARBO HYDRATE	PROTEIN	FAT
127g	310kcal 1302kj	28.7g	10.9g	16.9g

Double Cheese

The name says it all. Cheese and more cheese! Come on, who doesn't love cheese? Yes. We tried saying cheese as many times as we could because we're cheesy that way.

SERVING SIZE	ENERGY	CARBO HYDRATE	PROTEIN	FAT
117g	339kcal 1424kj	30.9g	11.6g	18.8g

Chicken Mayo

A hatch made in heaven. The basic concept of chicken and mayo is kicked up a wonderful notch with the addition of wholemeal bread, romaine lettuce and tomato slices.

SERVING SIZE	ENERGY	CARBO HYDRATE	PROTEIN	FAT
147g	325kcal 1365kj	30.3g	12.5g	17.1g
