Monk Fruit Extract

Luo Han Guo fruit extract which is also known as Monk Fruit Extract is a sweetener that gives natural, great-tasting, zero-calorie sweetness, extracted from the monk fruit. Its sweetness is reported to be 100 to 250 times sweeter than sugar.

Monk Fruit Extract can be incorporated into a wide range of applications including beverages, dairy products, bakery products, ice cream, frozen desserts, sweeteners, chocolate and fruit bowls as below:-

Market Examples

Beverages
