CONNECTION.

"Food Brings People Together". No other expression rings truer at DPO International. As a cross-border organisation with our footprint in communities across Southeast Asia and China, we position ourselves as the link between players in the food industry. This includes manufacturers, foodservice, retailers and consumers. Additionally, our ties with local authorities is key in our ability to connect international partners to the local markets.

A WORLD CLASS SUPPLY CHAIN

Our vast logistics network, made up of more than 35 warehouses located in 7 countries across Asia, means that you will have access to an unrivalled distribution solution wherever you need your goods to be. Strategically located close to population concentrations, our network of distribution hubs allows for shorter transportation distances, thus reducing carbon emissions and ensuring food products and ingredients reach their destination quicker, fresher, and whenever you need them.

COLD-CHAIN CHAMPIONS

Maintaining suitable conditions for food in the Southeast Asian climate can be challenging. A specialist of cold chain management, we ensure that temperature-sensitive food products are kept in optimal temperature, humidity, and air quality throughout the entire distribution process from shipping to storing and delivery.

MANAGEMENT

OUR EMPHASIS ON AN EFFECTIVE SUPPLY CHAIN

- 1 TRACEABILITY**
The ability to identify, track and trace a product as it moves along the supply chain is vital in complying with regulations and minimising risk.
- 2 QUALITY CONTROL**
Quality control in the supply chain is critical for maintaining a competitive edge in the marketplace and reducing operating costs.
- 3 HYGIENE**
Maintaining hygienic conditions as food passes through various locations from origin to destination reduces risk of contamination.
- 4 FEFO**
Our First-Expired-First-Out practice ensures products reach end users before its expiry date, thus reducing wastage.

CONNOISSEURS OF FOOD CONNECTIONS

OUR HOMEGROWN BRANDS

In our quest to connect with our customers better, and to offer more innovative products and solutions, we have established brands which cater to different areas and needs respectively.

IngreBio is our industry-focused food innovation brand, catering especially to food manufacturers who require customised ingredients and formulations to meet their product needs.

Foodcraft is our very own food brand catered for the foodservice and retail sectors with a range of products ranging from frozen foods to ready-to-eat meals.

GROWING THROUGH PARTNERSHIPS

We have had the opportunity to journey with some of the most prominent companies in the food industry. Here's a sampling of what they have to say.

DPO International has played an exceptional role in BENEEO's expansion into Asia Pacific since we began working together over 20 years ago. Our relationship has since burgeoned into

a strong partnership with full trust in each other.

We look forward to celebrating future milestones together.

DOMINIQUE SPELEERS
Executive Board Member

Since 2018, our partnership with DPO International has helped us
develop a local sales and distribution system
and regulatory support for our customers. We now have locally trained teams in Malaysia, Indonesia, Philippines, Thailand, and Sri Lanka.

REMI REGUERO
Business Development & Technical Director

DPO International came across as
a professional and reliable business partner

who we could work with to expand our food service business in Malaysia. Their wide market coverage and strong sales team has helped us to gain good results in the first year of partnership.

STELLA YEW
Head of Food Service MY & SG

DPO International has been a partner of Hexagon Nutrition for over 18 years.
If I have to describe them in a single word, it would be

"trustworthy".

VIKRAM KELKAR
Managing Director

We are very happy to have DPO International as our partner. They are well connected,
have market intelligence and are

experts in their fields.

All these lead to a very successful partnership.

CHRISTIAN SCHINK
Global Food Division Manager

DPO International is a highly valued distributor in Malaysia for us. In the last financial year (2021/22),
we recognise their contribution to our Ovomaltine brand in Malaysia with a

100% revenue growth,

the highest among Ovomaltine International Markets.
