**For Chocolate Coating:**

<b>INGREDIENTS</b>	<b>(%)</b>
Ovomaltine	100.00
<b>TOTAL</b>	<b>100.00</b>

**Procedure**

**Chocolate Base (5mm thickness)**

1. Melt white chocolate and mix with toasted nuts.
2. Roll and freeze.
3. Remove and cut out 5cm radius circle shape. Beat for 5 minutes at 2nd speed, fold in eggs and mix until smooth.

**Fruit Jelly**

1. Cook all the ingredients and bring it to boil.
2. Mix into a food processor and blend to a puree.
3. Place it in the freezer.

**Rocher Bar**

1. Melt chocolate to 50°C and mix in Ovomaltine spread.

**Chocolate Coating**

1. Double-boil Ovomaltine.

### ***Featured Ingredients***
